

CHAZEN HIRES NEW LEADER OF BUSINESS DEVELOPMENT

Chazen is pleased to welcome **David B. Ardman** as the new Senior Director of Business Development. Mr. Ardman has 30 years of experience in a variety of business development and public relations roles. In his new position, Mr. Ardman will be responsible for all of Chazen's business development and marketing activities across all of its offices in the Hudson Valley, Capital and Adirondack regions.

Prior to joining Chazen, Mr. Ardman served as Business Development Manager for a full-service engineering, environmental and planning consulting firm for the last 10 years. Before that, Mr. Ardman held positions at the NYS Thruway Authority and the NYS Senate.

Mr. Ardman earned a B.A. in Communications and Mass Media from the State University of New York at Plattsburgh. He serves on the boards and committees of a number of charitable organizations and foundations, including Capital Region Center for Arts in Education, Wildwood Programs and the Engineers Week Future City Competition.

David B. Ardman
